Dr. Friday O. Ovenseri-Ogbomo is a Senior lecturer in the department of Economics, Finance and Investment, Benson Idahosa University, Benin City, Edo State. He holds B.Sc. and M.Sc. degrees in Economics from the University of Benin, and a Ph.D degree in Economics from the Benson Idahosa University, Benin City, Edo State. He was once Head of Department of Economics, Finance and Investment at the University.

He is a member of the editorial board of the South-South Journal of Economics and Social Studies. He has at several occasions served as external examiner to Ambrose Alli University (AAU) and the National Teachers Institute (NTI), a programme midwived by the National Open University of Nigeria (NOUN). In his knack for research, he has carried out a collaborative and joint study on Environmental Impact Assessment (EIA) of a community in the riverine Area of Delta State. He has also published several articles with reputable journals both nationally and internationally. Primarily, his academic areas of interest are Development Economics, Petroleum Economics, Monetary and Financial Economics. He has served in several committees at the Benson Idahosa University. For more than two decades of University lecturing experience, Dr. Ovenseri-Ogbomo has taught several courses at both undergraduate and postgraduate levels.
